Rich Brecklin explained that Hannah Drive is falling apart and springs under the road have destroyed the base and sub base. Approximately 1200 feet will need to be torn out and rebuilt. Rich explained the process. The Village understands this is going to be a huge inconvenience but the repair needs to be done. Residents that live in the area from 307-411 Hannah Drive will not be able to access their homes with their vehicles and will need to make arrangements.

Brandon Floger from Tazewell County Asphalt explained the process and the timeline for the construction weather permitting.

Nathan Henricks noted the Coventry Farm clubhouse parking lot will be completed by April 24<sup>th</sup> if residents need to park a vehicle in that area.

Several Coventry Farm residents were in attendance to ask questions. The village will notify the Schools, post office and garbage company with the proposed date of construction. If the weather doesn’t look good the week before then the date will be modified. The board thanked everyone for their understanding and asked if anyone needs anything to contact the Village.
