

Village of Germantown Hills Garbage Requirements

Under our contract agreement, you can put out either of these combinations (A or B) but **not both**:

96-Gallon GFL trash cart along with two (2) private cans or bags. Each private trash can or bag is limited to 35 gallons and 50 pounds.

Two (2) wheeled trash carts. You will need to set out the GFL cart as well as your own private wheeled cart for service.

If you want to rent an additional wheeled trash cart for service, the fee is \$7.50 per month paid to GFL quarterly in advance. The same fee will apply if you want GFL to service a third private wheeled trash cart. Call GFL at 309-263-2390 to set up a 3rd trash cart service option.
