

Germantown Hills Farmer's Market 2025

- 9am-1pm, June-October (weather permitting)
- At the South End of Germantown Crossing Parking Lot
- Participation will remain free of charge. The Village will continue to provide signs, flyers, etc. Reach out if you would like copies to share.
- Our goals are to provide the Community with local, fresh produce and other unique local vendors' products, create a Community gathering place, and to support all our vendors.
- A general layout of booth set-up will be provided. If you intend to allow or encourage customers to drive directly to your booth, please plan on being at one of the ends of the designated area to keep a safe space for pedestrians to walk from booth to booth.
- Vendors that are planning to participate consistently may request a 'reserved spot' that will be communicated with all vendors.
- Less consistent participants will be allowed to choose their location on a first come, first served basis - after registered and a waiver is signed
- **You must be registered with the Village and have a signed liability waiver on file PRIOR to setting up at the Market.**
